

All proceeds from Huntsville Mom Prom benefit the International Cesarean Awareness Network (ICAN) and ICAN of Huntsville.

The International Cesarean Awareness Network is a non-profit organization whose mission is to improve maternal-child health by reducing unnecessary cesareans through education, support cesarean recovery, and advocate for vaginal birth after cesarean (VBAC).

### WHAT ARE THE FUNDS USED FOR?

ICAN of Huntsville raised over \$4000 last year at our 1st Annual Huntsville Mom Prom. These funds allowed us to create a Doula Scholarship Program for Expectant Mothers who may not otherwise be able to hire a doula to support them during pregnancy, labor, birth, and postpartum. We also were able to buy booth space at local events for community outreach, grow our lending library, and update our educational materials.
